Ryu OSADA

29/12/2003

Currently pursuing a Master's degree in Creative Technology Engineering. I am seeking a **6-month internship** starting in **February 2026**, where I can contribute to innovative projects, apply my skills in design and prototyping, and further build my knowledge in interactive systems and creative engineering.

EXPERIENCE

- BASSDRUM, KYOTO, JAPAN

May 2025 - Aug 2025

- Project Intern: Bridge tradition and modern technology, using Shinto sake culture to reconnect with the past and bring people together.

- KAGAN HOTEL, KYOTO, JAPAN

Jun 2023 - Sep 2023

- Multi-skilled hotel employee: guest reception, cafe staff: preparing orders, taking orders, cash handling, serving.
- Skills developed: adaptability, team collaboration, communication in Japanese.

- MICHEL MAROQUINERIE, PARIS, FRANCE

Oct 2022 - Mar 2023

- Sales Consultant: customer reception, advice tailored to requests, management of store sections.
- Skills developed: listening, interpersonal skills, communication.

PROJECTS

- Sakekagami

2025

Art installation using 2 connected sake cup, made with Raspberry Pi. Making interactive animation through TouchDesigner and StreamDiffusion, connecting Japanese tradition with technology.
